RATIONALE

This policy sets out Sacred Heart College expectations regarding student uniform which is to be worn in its entirety to, whilst at and from the College. The purpose of a uniform is to promote a shared sense of school identity and ensure students are dressed safely and appropriately for school activities; ensure students are easily identifiable; strengthen the profile and identity of the school and its students within the broader community; encourage students to take pride in their appearance and prepare students for the expectations of the workplace.

The College seeks to endorse an inclusive, cost-effective uniform that meets the needs of the community.

Please note: A 12 month transition period will occur to accommodate changes to the policy. All students are expected to comply with policy changes from Term 1, 2026.

COMMITMENT TO CHILD SAFETY

We aim to create a child safe and child friendly environment where children feel safe and are free to enjoy life to the full without any concern for their safety. All students enrolled, and visiting, have a right to feel safe and to be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

INCLUSIVE EDUCATION

Sacred Heart College:

- Is committed to ensuring that students with disabilities are not discriminated against and are accommodated to participate in education on the same basis as their peers,
- acknowledges and responds to the diverse needs, identities and strengths of all students,
- students with disabilities and additional needs are treated with respect and are involved in making decisions about their education
- will make reasonable adjustments, where necessary, to accommodate students with disabilities or additional needs.

A positive classroom environment is fostered contributing to positive attitudes and beliefs about disability, positive learning, engagement and wellbeing outcomes for all students.

UNIFORM GUIDELINES

School uniform is compulsory at Sacred Heart College and all students are expected to take pride in their appearance and grooming. The correct uniform option is to be worn in its entirety to and from the College with no reductions or additional items worn to, from or during the school day. Undergarments must not be visible from uniform items. Full school uniform is to be worn to all excursions and occasions as advised. The Physical Education uniform may be worn to and from school on days when students have Physical Education classes. All items of uniform are required to be in good, well-fitting condition.

Students may wear either the Summer or the Winter uniform at any time throughout the school year however, each uniform must be worn in its entirety. A student may not wear a combination of Summer and Winter at the same time.

Plain navy scarves, gloves and Sacred Heart beanies can be worn to and from school, and outdoors in the colder months. These items are not to be worn indoors during class time.

Dress Length

The College dress and skirt is to be worn within five centimetres of the top of the knee.

- It is preferred that students are clean-shaven: however, students in Years 11 and 12 may wear neat, short-cropped facial hair.
- Visible or partially visible tattoos are not permitted.

In line with the College's Sun Smart Policy, students must wear the College hat during Term One and Four whilst outside of school buildings during recess, lunch, Physical Education classes and other outdoor activities.

Uniform Exceptions
